

SUBCOMMITTEE SUPPORTING PATIENTS OVERVIEW

Heather Rupe, Clinical Services Director

Nichole T. Russell, HDMC PT Director

June 5th, 2025

Purpose of the Subgroup:

- Develop strategy for patient-centered transition planning
- Ensure individualized transition plans and clinical criteria
- Coordination with Community Providers and Guardians
- Safety, Continuity, and Quality Assurance Mechanisms

Participants:

- Hiram W. Davis Medical Center (HDMC) Staff
 - Other DBHDS Staff (Central Office, SEVTC, etc.)
 - Resident's Family Members/Authorized Representatives/Legal Guardians
 - Disability Law Center Representative (s)
 - Community Service Board Members
 - Community Group Home Providers
 - Delegates
- 

Process:

- Monthly Meetings with stakeholders (12/24-present)
- Ad Hoc Meetings with Co-leads from Subcommittees for Supporting Services and Supporting Staff (avoid duplication of work/topics and planning future meetings)

Discussion Topics:

- HDMC: Levels of Care, Populations, On-Site Services
 - Placement Options for Consideration
 - Current Discharge Planning Process
 - Limitations for placement for special populations
- 

Presentations:

- Budget Updates/GA (Lauren Cunningham/Meghan McGuire)
- Community Partnerships/Pilot Program (Heather Rupe)
- HDMC-Care Levels/Populations/Services (Nichole Russell)
- Renovation Cost/New Building-HDMC (Robert Johnston)
- Current Discharge Process for ID/DD (Kimberly King)
